ABOUT ME

I started racing at the age of 8 as a go-kart driver. In 1996 my focus was on rally racing. After 1997, competing in a rally was a hobby.

My first job as a precision driver was in 2005, ever since I attended several car-related shootings. I am great precision and camera car driver.

RACING CAREER

- 1984-1987 Go-kart
- 1995-1998 Circuit & Hillclimb racing
- 2016-2019 Rally
