ABOUT ME

I started racing career when I was 19 years old, and I am still staying in car-related sports, rally and hill climb racing.

My first job as a precision driver was in the year 2014. Since then I successfully helped execute many car-related projects and commercials.

RACING CAREER

- 2001- present
Rally & Hill climb racing
- 2017 - 2018
Slovenian Rally champion
